

Minutes of the last Full School Council Meeting – Spring Term 2015

Agenda Item	Conclusions / Action
Feedback from Diss Town Clerk and South Norfolk District Council on issues raised	Sadly, Mr Bentley will no longer be attending the School Council as he has left his position at South Norfolk Council. His input and support has been much appreciated. It is hoped that Diss Town Clerk will continue to visit.
Security of property	Prefects will be keeping a close eye on bags in the junior playground, lockers and the Year 7 toilets.
Lesson issues	Discussion about option choices, homework patterns in Year 9 and some cover teachers giving whole class detentions.
Site Issues	It would be good for the gym to have a more intense clean. More outdoor recycling bins needed. Some of the Science stools are uncomfortable.
Reports	Could there be more recognition of positive behaviour and progress on reports?
Any other business	If form groups/year groups have any ideas for a "Big Event" that would support the school or our local community, please let Mrs Carpenter know through Year Council Reps.
