## What is a World Café?

A world café brings people together to have a chat around topics which are important to them.

Everyone is welcome, and the environment is informal and café like allowing people to feel at ease. People share their views and ideas which are turned into a report. The report will be used by community members and relevant organisations to make positive changes and improvements.

## How can I participate?

Diss Town Football Club,  
Saturday 13 July from 1pm to 3pm

Meet new people, have your say and enjoy light refreshments

**£20 cash incentive for first 60 to register and attend**
