Hello

Are you a young person who is passionate about helping your local community, bringing different generations together, gaining experience in cooking for a group, and running an event?

The South Norfolk Youth Advisory Board is looking for enthusiastic young people aged 11 – 19 years to help plan and run an Intergenerational Summer Luncheon for the older generation of Diss. The lunches are held three times each year, and they have become a favourite event with our regular guests, as they enjoy the interaction within the community.

If you would like to attend, please **post** the completed consent form to MTM at the address at the top of this letter at least five working days before the session. If we have not received a signed form through the post (no emails, scans or photos), you will be unable to attend. Places are limited, so will be allocated on a first come, first served basis.

We are able to offer transport to the session if you cannot get there yourself. However, this may be shared with another young person, and you may be expected to wear a face covering or mask on the journey. Please only request transport if you really need it.

Please visit our website www.mtmyouthservices.org.uk for further information about:

- Consent forms
- Taxi Journeys for activities
- Concerns and complaints

If you find that you can no longer make this session, please let us know as soon as possible. There are always waiting lists, and we can offer your place to someone else.

Yours faithfully,

Julia Fairbrother
